

## **The Professor's Special 1 on 1 Training Consultations**

After the launch of his basic Scalp Trading Strategy in 2020 followed in 2021 with the enhanced Strategy using Arrows, The Professor started receiving multiple requests for additional one-on-one time for questions and discussions. Due to increased demand for his time The Professor decided to offer a special for the Scalp Trading and Arrows Strategy members. You can sign up for one-on-one sessions in ½ hour increments.

Whether you are new to trading or a long-time trader these sessions can help you increase your profitability. Since the launch of The Professor's 1 on 1 Consulting sessions, it has proven to be a very popular item with high marks by all.

To sign up just select the **Buy Now** button below the associated Event on the [Special Events](#) page. Once the time is purchased you will receive an email from The Professor to mutually agree on the time.
